**GOALS**

Our goal is to provide quality and efficient services in order to promote a healthy Merit System.

**MISSION**

Our mission is to administer the merit system by entertaining appeals or complaints from classified employees and providing a fair and equitable venue by which the appeals or complaints can be adjudicated.

**HISTORY**

The creation of the Guam Civil Service Commission (CSC) was first contemplated in the Organic Act of Guam under §1422c, which states,

"The legislature shall establish a merit system and, as far as practicable, appointments and promotions shall be made in accordance with such merit system. The Government of Guam may by law establish a Civil Service Commission to administer the merit system. Members of the Commission may be removed as provided by the laws of Guam." [cited in part]

However, it was not until August 7, 1967, with the passage of Public Law (PL) 9-86 that the CSC was actually created. The creation was prompted by a letter from then Governor Manuel F.L. Guerrero, which was submitted to the Ninth Guam Legislature to establish a CSC, separate from any operating department of the government in order to afford balance between the needs of the institution and rights of the employee.

APPEALS
The number of Adverse Actions, Grievances and Post Audit complaints has decreased from 2015 to 2016. The number of appeals were solely determined by the employees themselves in direct relation to the actions administered and processed by the individual agencies.

PERSONNEL ACTION REVIEW
The number of personnel actions submitted and reviewed dramatically increased in 2016 than in 2014 and 2015 due to the enforcement of 4GCA Ch.4 §4403 Duties of the Commission (e) and the implementation of the Hay Study and the payouts of overdue Merit bonuses. Actions reviewed are completely dependent upon the timely submission of the various agencies.
In FY-2016, pursuant to P.L. 133-66, the Commission received the Authority and Funding to Recruit an Administrative Law Judge and a Legal Secretary, which automatically increased the Commission’s operational budget. The recruitment of the ALJ was a pursuit that the Commission has been looking forward to for years. With this, cases will now be adjudicated, thus eliminating the back-log we have been experiencing. Also, in this Fiscal year budget, the Commission procured U-Shape desks to replace old desks making for greater efficiency and space reduction. Additionally, the procurement of 12 Executive Chairs for the Board Room and 7 new Computers added a sense of authority and comfort as well as automated efficiency. The Commission’s long range plan is to replace its 25 year old Recording System which is no longer reliable and continues to have problems, with the of a State of the Art, Audio & Video Recording System to improve the quality of the Recordings conducted by the Commission to include Status-Call hearings.
FUTURE OUTLOOK

The Commission to continue pushing forward towards a Paperless operation, whereas all cases will be downloaded and viewed on Notebooks/IPads minimizing the need for reproduction and manpower, thus saving thousands of dollars annually. This technology will surely enhance the Commission ability to distribute Packets to the Commissioners as well as other players involve in the case. In addition, the Commission will still continue providing essential trainings & workshops throughout the Government Agencies as it impacts the Commission's Objectives and to further pursue the upgrade of the Commission’s Audio & Video Recording System, for documentation purposes.

Accomplishments
On September 11, 2015, Public Law 33-66 was signed in to law authorizing the sum of $119,115.00 to the Commission to employ or contract a full-time or part-time Administrative Law Judge (ALJ) to assist the Commission with adjudicatory responsibilities and for the purchase of equipment such as computers, furniture, legal research tools and other office supplies. In addition, the sum of $34,000.00 is allocated for employing an Legal Secretary.
In Fiscal Year 2011 the Governor appointed the Executive Director of Civil Service Commission to Chair MagPro Awards, the Governor’s Employee Recognition Program. The Commissions had successfully been recognized with achievement awards for the Fiscal year 2016 with the following awards:
