This report summarizes our communications with those charged with governance as required by our professional standards to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process.

We summarize these required communications as follows:

Overview of the planned scope and timing of the audit

Our audit scope and timing is consistent with the plan communicated in our engagement letter dated August 19, 2025 and at our audit planning meeting with management.

Auditors' Responsibilities under Auditing Standards Generally Accepted in the United States (US GAAS) and Generally Accepted Government Auditing Standards (GAGAS)

The financial statements, required supplementary information and supplementary information are the responsibility of the Company's management as prepared with the oversight of those charged with governance. Our audit was designed in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, to obtain reasonable, rather than absolute, assurance that the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, we express no such opinion.

An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation.

Our responsibilities are included in our audit engagement letter.

We issued an unmodified opinion on the Company's financial statements as of and for the year ended September 30, 2025.

Changes to the audit strategy, timing of the audit and significant risks identified

Our audit strategy is consistent with the plan communicated during the October 2025 meeting.

Changes to the terms of the audit with no reasonable justification for the change

None.

Fraud and noncompliance with laws and regulations (illegal acts)

We are not aware of any matters that require communication.

Matters relevant to our evaluation of the entity's ability to continue as a going concern

We did not identify any events or conditions that led us to believe there was substantial doubt about the Company's ability to continue as a going concern.

Our views about the qualitative aspects of the entity's significant accounting practices, including:

- **Accounting policies**
- **Accounting estimates**
- **Financial statement disclosures**

Management has not selected or changed any significant policies or changed the application of those policies in the current year.

A discussion of significant accounting policies and estimates has been included in Note 2 of the financial statements.

Related party relationships and transactions

We noted no significant matters regarding the Company's relationships and transactions with related parties to the financial statements.

Significant unusual transactions

We are not aware of any significant unusual transactions entered into by the Company.

Material corrected misstatements related to accounts and disclosures

Uncorrected misstatements related to accounts and disclosures, considered by management to be immaterial

Current period uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even if they are immaterial to the current period financial statements. Refer to the “Management Representations Letter” in Appendix A.

Deficiencies in internal control over financial reporting

In planning and performing our audit of the financial statements of the Company as of and for the year ended September 30, 2025, we considered its internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Company’s internal control. Our consideration of internal control was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies might exist that were not identified.

Given these limitations, we did not identify any material weaknesses.

Representations we are requesting from management

We have obtained from management a representations letter related to the audit and a copy of the management representations letter is included in Appendix A.

Other information included in annual report

There was no other information available as of the date of our audit report.

AICPA ethics ruling regarding third-party service providers

From time to time, and depending on the circumstances, (1) we may subcontract portions of the audit services to other EY firms, who may deal with the Company or its affiliates directly, although EY alone will remain responsible to you for the audit services and (2) personnel (including non-certified public accountants) from an affiliate of EY or another EY firm or any of their respective affiliates, or from independent third-party service providers (including independent contractors), may participate in providing the audit services. In addition, third-party service providers may perform services for EY in connection with the audit services.

Other matters

There are no other matters arising from the audit that are significant and relevant to those charged with governance regarding the oversight of the financial reporting process.

Engagement team's involvement with preparation of the financial statements

Under GAS 2018 Revision, Chapter 3 Ethics, Independence and Professional Judgment, Paragraphs 3.73-74 explains that the audit team should make consideration of management's ability to effectively oversee the non-audit services to be provided. The engagement team should determine that the audited entity has designated an individual who possesses suitable skill, knowledge or experience and that the individual understands the services to be performed sufficiently to oversee them. The engagement team should document consideration of management's ability to oversee non-audit services to be performed.

The engagement team believes that this significant threat is reduced to an acceptable level upon application of the following safeguards:

- An engagement quality control review was performed by a qualified Ernst & Young Partner who was not otherwise involved in the audit.
- The preparation of the financial statements is based on the Company's trial balance with our understanding that the Company's underlying books and records are maintained by the Company's accounting department and that the final trial balance prepared by the Company is complete.
- All adjusting journal entries that Ernst & Young posted to the trial balance have been approved by management of the Company.
- The Company's Accounting Manager has the skill sets to oversee and review the completeness and accuracy of the financial statements and footnote disclosures.

This communication is intended solely for the information and use of the Board of Directors and management and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Ernst + Young LLP

In connection with your audits of the basic financial statements of Guam Waterworks Authority (the Authority), a component unit of the Government of Guam, as of September 30, 2025 and 2024 and for the periods then ended, we recognize that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion whether the financial statements present fairly, in all material respects, the respective financial position of the business-type activities of the Authority and the respective changes in financial position and cash flows in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief:

Management's responsibilities

We have fulfilled our responsibilities, as set forth in the terms of the audit engagement agreement dated August 30, 2022, for the preparation and fair presentation of the financial statements (including disclosures) in accordance with US GAAP applied on a basis consistent with that of the preceding fiscal year.

In preparing the basic financial statements, we evaluated whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for one year after the basic financial statement date.

We acknowledge our responsibility for the design, implementation and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. We have provided you with:

- Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters. This responsibility includes identifying the use of new technologies or techniques in preparing such information (e.g., the use of generative artificial intelligence), and additional details you may require regarding the use of any such technologies and techniques in order to perform your audit procedures.

A – Management Representations Letter, continued

- Additional information that you have requested from us for the purpose of the audit
- Unrestricted access to persons within the Authority from whom you determined it necessary to obtain evidence

We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements.

From May 26, 2025 through the date of this letter we have disclosed to you, to the extent that we are aware, any (1) unauthorized access to our information technology systems that either occurred or is reasonably likely to have occurred, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material effect on the financial statements of any opinion unit that comprises the basic financial statements, in each case or in the aggregate, and (2) ransomware attacks when we paid or are contemplating paying a ransom, regardless of the amount.

Uncorrected misstatements

We believe that the effects of any uncorrected misstatements, summarized in the accompanying schedule, accumulated by you during the current and prior audit period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole. Refer to the "Schedule of Uncorrected Misstatement" in Appendix B.

Corrected misstatements

We have reviewed and approved the adjustments, summarized in the accompanying schedule, and reflected these adjustments in the financial statements. Refer to the "Schedule of Corrected Misstatements" in Appendix A.

There were no agreements or commitments to repurchase assets previously sold. There were no material commitments outstanding at the balance sheet dates as a result of being a party to futures or forwards contracts, short sales or hedge transactions.

Non-compliance with laws and regulations, including fraud

We acknowledge that we are responsible to determine that the Authority's business activities are conducted in accordance with laws and regulations and that we are responsible for identifying and addressing any non-compliance with applicable laws or regulations, including fraud.

We acknowledge our responsibility for the design, implementation and maintenance of internal controls to prevent and detect fraud.

We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

We have disclosed to you all known actual or suspected noncompliance with laws and regulations whose effects should be considered when preparing the financial statements.

Independence

We have communicated to you the names of all the Authority's affiliates, as described in the AICPA Code of Professional Conduct ET section 1.224.020 State and Local Government Client Affiliates, officers and directors, or individuals who serve in such capacity for the Authority.

We are responsible for the significant assumptions and interpretations underlying the measurement and presentation of the required supplementary information. We believe that the significant assumptions and interpretations used are reasonable.

We believe that the separate presentation of the schedule of changes in total pension liability and related ratios related to GASB statement No. 73 is not significant. The required information is combined with schedules required under GASB Statement No. 68.

We understand that your audits were conducted in accordance with auditing standards generally accepted in the United States of America as established by the American Institute of Certified Public Accountants and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America and were, therefore, designed primarily for the purpose of expressing an opinion on the basic financial statements of the Authority, and that your tests of the accounting records and other auditing procedures were limited to those that you considered necessary for that purpose.
