Re. Proposed Settlement Resolution to Procurement Appeals File No. OPA-PA-08-006

Dear Mr. Cura:

I write to propose a settlement resolution to the Appeal Oceania has made as to the Collections RFP; now pending before the OPA Hearing Officer.

I believe the Hearing Officer, Attorney Cruz, indicated that it may well be in the interest of all concerned to see if we cannot come to an agreed upon arrangement on how to handle this matter.

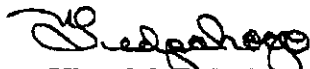

It was my impression the Hearing Officer felt that in terms of time, effort and simply in the best and most economical interest of all concerned we should seek to come to a settlement agreement: Chamorro Village, Oceania and Marianas.

Accordingly, I suggest the following settlement; which if accepted will result in Oceania withdrawing its Protest and Appeal!

I propose that Chamorro Village divide evenly the Delinquent Accounts between Oceania and Marianas, and that we all meet as the collection accounts are divided so everyone is satisfied with the division being fair and equitable.

Please let me hear from you if this proposed amicable settlement resolution is acceptable to Chamorro Village and Marianas.

Sincerely,

Virge M. Fedpahogo
