

Future Challenges

In FY2017 CLTC encountered an unforeseen challenge. On September 29, 2017, the United States of America filed a "Complaint" Civil Case No. 17-00113 against the Government of Guam, Chamorro Land Trust Commission and Administrative Director of the Chamorro Land Trust Commission. The nature of the "Complaint" was for the "United States to enforce Title VIII of the Civil Rights Act of 1968, as amended, 42 U.S.C. §§ 3601-3631 ("the Fair Housing Act" or "the FHA"), against the Government of Guam, the Chamorro Land Trust Commission and the Administrative Director of the Chamorro Land Trust Commission for discriminating against non-Chamorros through enforcement of the Chamorro Land Trust Act, 21 GUAM CODE ANN. ("G. C. A.") ch. 75 (the "CLTC"), and implementing regulations." This litigation may hamper CLTC's ability to perform its functions mandate by law.

As of September 30, 2017 CLTC has 3,259 Agriculture and 5,297 Residential pending applications. CLTC continues to struggle to acquire needed resources to survey and provide the basic infrastructure to properties leased in the past and present. In FY2017 and other preceding fiscal years, CLTC has recorded and recognized amounts classified as a receivable under the Due from General Fund account associated with CLTC's Home Loan Guarantee Fund and Survey and Infrastructure Fund. If this type of financial activity should continue to occur and the General Fund does not have the ability to pay back any interfund loan within a reasonable time CLTC will continue to record and recognize a "Transfer Out to General Fund" causing CLTC to lose financial resources.

Outlook

The CLTC board of commissioners and administrative director will continue to move in the direction of issuing agricultural and residential leases. Also, management will continue to pursue the merger of various funds into a single fund. In addition, CLTC management will work with the Administration and Legislature to regain custody of CLTC funds to prevent any interfund loans. Moreover, CLTC will finalize the Memorandum of Understanding (MOU) with the Guam Economic Development Authority for property management services related to future Commercial Leases that would require to be awarded through a

Our Progress

During FY2017 CLTC initiated the review of land inventory and determined the following:

Total acreage available for lease	11,622
North	6,019
Central	1,418
South	4,185

In FY2017 CLTC issued 113 Agricultural Leases and 169 Residential Leases increasing the total number of leases awarded since its inception to 1,255 Agricultural Leases and 1,692 Residential Leases as of September 30, 2017. As mandated by law CLTC continued to issue Loan Guarantees under the Home Loan Guarantee Program. A total of three (3) Loan Guarantees was issued in FY2017 which increased CLTC's Home Loan Guarantee Program liability to ten million one hundred four thousand five hundred ten (\$10,104,510). In addition, to assisting our constituents to realizing the dream of owning a place they can call home, CLTC has continued the working dialogue with the United States Small Business Administration (SBA) and the Guam Housing Corporation (GHC) to ensure that our constituents are making their payments in a timely manner and to prevent any unforeseen foreclosures.

CLTC has 3,545 acres of unregistered property in its inventory. In FY2017 CLTC with the assistance from the Office of the Attorney General of Guam coordinated with the Superior Court of Guam to allow the government's land registration cases still pending in their dockets to be placed back into the active files.

At year-end September 30, 2017 the Chamorro Land Trust Commission (CLTC) undergone its sixth financial audit and received a unmodified "clean" opinion from Independent auditors, Deloitte and Touche, LLP.
