Divisions

Director's Office:

To provide administrative policy, direction and coordination of efforts for all divisions.

Human Resources:

To provide effective and efficient recruitment, employee / employer services and training programs for Government personnel who are servicing our customers.

General Services Agency:

To support the Government of Guam departments / agencies effectively and efficiently through the procurement process by continuously developing and using sound procurement policies and practices with value for money.

Division of Accounts:

To provide accurate and timely financial information and control, effective collection and investment of all revenues, and perform mandated reporting for various federal and local funds/ programs thus ensuring the Government's financial integrity and promoting an efficient, effective and accountable government.

Mission

To provide support to Government of Guam agencies, to assist them as they effectively and efficiently carry out their mission & responsibilities. We accomplish this

by providing financial, cash management, procurement and human resource services.

To maximize the integrity, efficiency, effectiveness, and transparency of the

Government of Guam by providing administrative, fiscal, and policy direction for the execution of a variety of government-wide support services.

Opportunities and Future Challenges

Future Training Opportunities

DOA is coordinating with The Graduate School USA to provide financial training opportunities for employees of various Government of Guam agencies and department.

Future trainings include:

- ◆ Government Accounting—Basic level
 - ◆ Government Accounting—Advanced level
 - ◆ Governmental Year-end Closing Process
 - ◆ Corrective Action Plans
- .. and many others..

What's Next?

DIGITIZING TRANSACTION PROCESSES

Fixed Assets Software and Hardware Upgrade

DOA's Division of Accounts recently received a Department of Interior (DOI) - Office of Insular Affairs (OIA) Technical Assistance Program Grant which will provide funding for fixed assets software and hardware upgrade. This will help eliminate audit findings related to fixed assets.

Content Management and Work Flow Process

DOA's Division of Accounts recently received a Department of Interior (DOI) - Office of Insular Affairs (OIA) Technical Assistance Program Grant which will provide funding for content management solution and work flow process improvement software. This will help reduce need for storage and use of paper. Also improve the work flow of invoice processing and tracking.

All financial activities of DOA are in line with the Mission, Vision and Goals established by law. The Government of Guam Fiscal Year 2018 Financial Statements may be viewed and/or downloaded at <http://da.doa.guam.gov/independent-auditors-reports/>
