MARIANAS VARIETY-GUAM, an Interested Party in the above-captioned appeal, hereby submits the following List of Issues to be resolved by the Hearing Officer on August 22, 2008:

1. Whether GSA must specify a distribution amount that an election notice appears in?
2. Whether GSA erred in awarding the bid to the Marianas Variety, which offered lower prices, and should have instead awarded the bid to the PDN because the PDN hypothetically represented a better "value"?
3. Whether a Statement of Qualifications in this case was material to the overall bid?
4. Whether the bid award is defective because, for one item out of eight, GSA used specifications that are typically used by the Marianas Variety?

Dated at Hagåtña, Guam: August 12, 2008.
