Mr. Hernandez: Per our telephone conversation today, it is my understand that it would be acceptable at this time to use the procurement and agency report submitted in OPA19-011 for the recent OPA -PA--209-003 case as alleges ethical violation on the OPA-PA19-011 procurement.
Please confirmthank you...rhkono

Hafa Adai Mr. Kono,

If GSA wants to reference the procurement record and agency report filed for OPA-PA-19-011, as the same procurement record and agency report for OPA-PA-20-003, it may do so as long as it files an official notice to OPA and the rest of the parties.

Please note that the parties and the hearing officer can discuss the matter further at the next status hearing.
