Supplemental Arguments

Pro Se's representation issue raised by the Legal Counsel is extraneous, immaterial, out of order and irrelevant. On December 10, 2021, UOG introduced Motion to Dismiss on Issues and to Strike Extraneous Pleadings. The Pro Se issue was never mentioned in his motion, therefore it is irrelevant and just expanding the issue. The Hearing Officer should not hear this issue because it is not in the scope or provided in his Dec. 10, 2021 Motion to Dismiss.

In his own words, this is a fine example of extraneous pleading and expanding the case. The motion to Dismiss has no merits and should be denied and Pro Se issue discarded.
