AUDITORS TO ATTEND LAKEWOOD EXPERIENCE

Auditors Andriana Quitugua and Christian Rivera will be participating in the Lakewood Experience from June 3 to June 15, 2017 along with six other auditors from the Pacific Island Audit Offices of Federated States of Micronesia, Republic of Marshall Islands, and the Commonwealth of the Northern Mariana Islands.

The Lakewood Experience is sponsored by the U.S. Department of the Interior Office of Inspector General and will be held at Lakewood, Colorado.

During this two-week event, the cohort will take part in a structured program that encompasses phases of audits. The program is designed to be interactive which includes coaching by a federal auditor, classroom training or discussions, and a case study with exercises covering the various phases of an audit.

This is the fourth time the Guam Office of Public Accountability participated in the Lakewood Experience where auditors Thyrza Bagana and Michele Brillante participated in last year's cohort.
